

Forest Heights Park Homeowners Association

Beautification Committee

Yard of the Month Rules

Greetings to all neighbors,

Summer is upon us and excitement is in the air! There are a number of projects that we are focusing on to bring pride into our neighborhood. One of the projects is “Yard of the Month”, which will begin June 1st.

The committee has established criteria for receiving this honor. Street captains will use the criteria established by the committee to nominate yards for the award. On the first of each month “Yard of the Month” sign will be displayed. The focus will be on the front/side yard and overall appearance. The Beautification Committee will make the final decision.

What the team will be looking for are:

1. Uniqueness of your design, colorfulness, and variety of flowers/shrubbery
2. Neatness and quality of your manicured lawn
3. Lawn maintenance, landscape, flowerbeds, driveways and walkways as viewed from the street
4. Overall aesthetics
5. The yard must be well-maintained for the entire month
